REQUEST FOR REFUND

MAIL STOP 16

Director of the U.S. Patent and Trademark Office

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

Applicant hereby respectfully requests a refund in the amount of \$1,520.00. This refund is to be credited to Deposit Account No. 19-4880.

This request is made in view of the fact that Applicant had timely filed (electronically) a Response Under 37 C.F.R. § 1.116 on July 10, 2008, and yet as the final due date of October 10, 2008, was approaching, no further Action (Notice of Allowance, Advisory Action, or new Office Action) had been issued by the USPTO. Although the Response had been filed electronically, it appears from the USPTO's Transaction History that the Office Action was not electronically forwarded to the Examiner until July 28, 2008. The undersigned attorney has been advised by multiple U.S. Patent Examiners that the Examiner is supposed to act on a response to a final Office Action within 10 days of receipt. In the present case, the delay in the USPTO was much longer, to Applicant's detriment.

As the final due date of October 10, 2008, approached, Applicant's attorney called the Examiner's office and left several messages requesting information on the status of review and further action, and furthermore Applicant's attorney telephoned Supervisory Patent Examiner Jon Weber on October 9, 2008, requesting his assistance. Upon discussing the case subsequently with Examiner Wood on October 9, 2008, Examiner Wood advised the undersigned attorney that she had earlier prepared on a new Office Action citing a new reference, and Examiner Wood indicated surprise that the USPTO's clerical staff had not yet processed and mailed the new Office Action.

Examiner Wood made further extensive efforts on October 10, 2008, to provide information on the new Office Action, but was not able to confirm that it had been mailed by the USPTO staff.

However, in the absence of receipt of evidence of mailing of the Office Action intended to be issued by the Examiner by October 10, 2008, Applicant filed a Notice of Appeal and a Petition for Extension of Time. Attached are copies of the Electronic Filing Receipt showing the Fee Transmittal for the filing of October 10, 2008.

Under the totality of the circumstances reported above, Applicant respectfully requests a refund of the fees that became necessary due to unreasonable delays in the USPTO (viz., \$1520.00 = \$1650.00 - \$130.00), i.e., all fees that became necessary except the first month extension of time).

Respectfully submitted,

Joseph V. Ruch, Jr.
